MEMORANDUM FOR NATIONAL FOREIGN INTELLIGENCE BOARD

STAT

FROM:
Acting Vice Chairman

SUBJECT: Comments on Title II of Draft Senate Select Committee
on Intelligence Bill

1. The DCI advised the NFIB on 18 December that he had been requested by the Assistant to the President for National Security Affairs to assume primary responsibility for composition of proposed Administration positions on statutory charters that the Senate Select Committee on Intelligence intends to introduce. The DCI delegated to the Acting D/DCI/IC the responsibility for coordinating the Community position on such legislation.

2. Attached is a copy of the current draft of Title II, "Intelligence Activities and Human Rights," of the bill to be introduced by the SSCI as the "National Intelligence Reorganization and Reform Act of 1978."

3. Some elements of the Community have been conferring directly with SSCI staff members during the development of Title II and the other titles, but it is now necessary to develop a Community position the DCI can present to the NSC Special Coordination Committee.

4. The General Counsel of each of those departments which include entities of the Intelligence Community and the CIA have been invited to send representatives to a meeting at 1000 hours on Thursday, 26 January, in the NFIB Conference Room.

5. It is requested you provide your comments to your General Counsel prior to this meeting.
